About our Finance Services: We are a credit broker and not a lender. We can introduce you to a limited number of lenders and their finance products. We are not an independent financial advisor; we will provide details of products available, but no advice or recommendation will be made. You must decide whether the finance product is right for you.

We do not charge you a fee for our services. Whichever lender we introduce you to, we will typically receive commission from them (either a fixed fee or a fixed percentage of the amount you borrow).

COMMISSION: For your reassurance, all the lenders we work with could pay commission at different rates, but the commission we receive does not influence the interest rate you will pay. Our aim is to secure finance for you at the lowest interest rate you are eligible for from our panel of lenders.

About our Insurance Services: We will only offer products from a limited number of suppliers. All the products we offer are optional. The Insurers who provide our products are:

Product	Insurer
GAP Insurance	Motors Insurance Company Limited
Mechanical Breakdown (Dealer Insured Warranty)	Motors Insurance Company Ltd t/a Car Care Plan Insurance

We arrange the policy with the Insurer on your behalf. You do not pay us a fee for doing this. We receive commission from the Insurer which is a percentage of the total annual premium.

You will not receive advice or a recommendation from us. We may ask you some questions to narrow down the selection of products we will provide details on. You will then need to make your own choice about how to proceed. We hold any insurance money as an agent of the insurer under a risk transfer agreement.

Customer Care, Dispute Resolution and Complaints

We work hard to ensure that the finance and insurance services we offer are fair and that our communication to our customers is clear and not misleading.
